it is hardly possible to read aristotle s poetics today without acknowledging the influence of its reception history our understanding of aristotle s poetical theory has been reshaped in past decades thanks to a reappraisal of long held prejudices whose history may be no less fascinating to explore than the text of the poetics itself to grasp what the poetics has to say therefore involves questioning what its many readers have been looking after what was the poetics used for and what are we using it for now into which bodies of texts has it been incorporated and put into perspective how have these uses and contexts influenced past readings of the poetics and how do they still inform the way we read it

catherine a story was the first full length work of fiction produced by william makepeace thackeray it first appeared in serialized installments in fraser s magazine between may 1839 and february 1840 as a satire on the popular newgate school of crime fiction based on the life of catherine hayes an eighteenth century criminal who was burned at the stake in 1726 for murdering her husband thackeray developed a sneaking kindness for his heroine and the novel made catherine and her roguish companions seem rather appealing which was far from the authors intention
