this second edition of a trend setting volume provides an updated examination of the interaction between families and the most pervasive mass medium television charting the dynamic developments of the american family and television over the past decade this volume provides a comprehensive representation of programmatic research into family and television and examines

extensively the uses families make of television how extensions of television affect usage families evolving attitudes toward television the ways families have been and are portrayed on television the effects television has on families and the ways in which families can mediate its impact on their lives the volume is an invaluable resource for scholars and students in the areas of media and society children and media and family studies

the american family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s the four volumes of the social history of the american family explore the vital role of the family as the fundamental social unit across the span of american history experiences of family life shape so much of an individual s development and identity yet the patterns of family structure family life and family transition vary across time space and socioeconomic contexts both the definition of who or what counts as family and representations of the ideal family have changed over time available in both digital and print formats this carefully balanced academic work chronicles the social cultural economic and political aspects of american families from the colonial period to the present key themes include families and culture including mass media families and religion families and the economy families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non modal family forms and family law and policy features approximately 600 articles richly illustrated with historical photographs and color photos in the digital edition provide historical context for students a collection of primary source documents demonstrate themes across time the signed articles with cross references and further readings are accompanied by a reader s guide chronology of american families resource guide glossary and thorough index the social history of the american family is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions key themes families and culture families and experts families and religion families and social change families and social issues problems crises families and social media families and social stratification social class families and technology families and the economy families in america families in mass media families family life social identities family advocates and organizations family law and family policy family theories history of american families

skolnick offers a lucid and compassionate appraisal of the crisis of the american family arguing that while the great economic and cultural transformations of the past generation are irreversible they need not irreparably undermine our most precious family values

the author reviews the various claims about the english ancestry of george washington as well as explaining the reasonableness of the claims that the washingtons of sulgrave and brington in england were part of that ancestry the lineage is illustrated on the enclosed folded pedigree chart
